MW&W RR 2016 Report

There were no major acquisitions and no change in the railroad in 2016. The Board of Directors met in August and toured the East Troy Railroad on a charter trip using South Shore #30.

Sophie began her operator training with Owen's help.

Owen recorded many of the year's activities by taking numerous photographs, a few of which are included in this report.

Unless otherwise noted, photos by Director Owen.
